DETAILED ACTION

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Semiconductor Storage Device with Signal Wiring Lines RMED above Memory Cells having a conductive shield layer disposed in a fourth wiring layer between the second and third wiring layers, the conductive shield layer including there-inside the bit lines in a first area including an area where the bit lines and the signal wiring lines are superposed upon each other, as viewed along a direction vertical to the surface of the semiconductor substrate, openings being formed through the conductive shield layer in areas where the bit lines are not disposed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
